Re: United States v. Renato Muzii
Docket No.02 CR 1078 (JG)

Dear Judge Gleeson:

On August 25, Your Honor granted my application, with the consent of AUSA Tanya Hill, to adjourn Mr. Muzii's September 9 surrender day until September 30, as he had not yet been designated to a BOP facility. To date, that designation has not occurred.

I have discussed this matter with Ms. Hill, and she has again consented to adjourn the date for Mr. Muzii's voluntary surrender, this time for 30 days. Because October 30 is a Sunday, I respectfully request that the Court grant my application and permit Mr. Muzii to extend his surrender date until October 31. Thank you.

Very truly yours,

Joel S. Cohen
